## **TO CONTINUE THE CONVERSATION**

*What is one thing you learned today?*

*Here are the question for the Examen mentioned in the message. You don't need to use them all every time!*

***Lord, where am I failing to live up to the standard I expect from others?***

***How do I benefit from Your grace and patience with me?***

***Who can help me see some of my 2X4's?***

***Did I see anyone through the eyes of Christ's love today?***

***Did I bring my anxious thoughts and feeling and experiences to You, Lord, today? If not, let me bring them now...***

***Lord, will you open my heart, mind and soul to receive Your loving grace and truth now?***
